

DFG-Network “Sociology of Sustainability”  
Workshop No. 3 / March 15<sup>th</sup> to 16<sup>th</sup> 2018, Aachen

**Agenda Network Meeting Sociology of Sustainability**  
**Venue: HumTec, Theaterplatz 14, Room 303, 52062 Aachen**

Thursday (March 15 <sup>th</sup> )	
<b>09.30 – 10.00</b>	Welcome with coffee
<b>10.00 – 12.00</b>	Discussion about the work on the article <i>“Empirical-descriptive, critical-normative and practical-political reflexivity: Specifications of a sociology of sustainability”</i>
<b>12.00 – 13.30</b>	Lunch
<b>13.30 – 14.30</b>	Presentation <b>Elisabeth Shove</b> and discussion: <i>“Energy demand and social practice: some ideas and insights from the DEMAND (Dynamics of Energy, Mobility and Demand) Centre“</i>
<b>14.30 – 15.30</b>	Presentation <b>Dirk Scheer</b> and discussion (Skype): <i>“Social issues of transitioning the energy system: between evolution, intention and conflict“</i>
<b>15.30 – 16.00</b>	Coffee break
<b>16.00 – 18.00</b>	Summarizing and discussion about both presentations: Identification of problem-descriptions (theoretical-conceptually with regard to a sociology of sustainability as well as to the empirical field of energy research)
<b>19.00</b>	Dinner at restaurant <a href="#">"Living Room"</a> (Büchel 22, Aachen)

Friday (March 16 <sup>th</sup> )	
<b>09.30 – 10.30</b>	Comparative discussion of the both fields of energy research and climate change research in their special relevance for a sociology of sustainability
<b>10.30 – 11.00</b>	Coffee break
<b>11.00 – 12.00</b>	Where do we now stand theoretical-conceptually with regard to a sociology of sustainability?
<b>12.00 – 13.00</b>	Discussion about further activities (Congress of DGS etc.)
<b>13.00</b>	Lunch
